The Linn County Start! Heart Walk is a great way to help fund and support the life-saving mission of the American Heart Association. The walk promotes physical activity and heart healthy living in a fun environment with family, friends or co-workers.

There are two ways to participate: Be a team captain and recruit friends and family members to walk and raise funds for your team or register as an individual and walk with Team Cardiologists, L.C.

Register online at linncountyheartwalk.org or complete the paper form, available in our office.
